Happy Holidays !

To everyone in the market community, thank you for welcoming me to the society in 2017! I look forward to continuing to build strong, local markets together.

May your 2018 be as full with meeting new people as my 2017 has been. I wish you the best of the Holiday Season!

Tara Immell,
General Manager

Happy Holidays to everyone!

What a great year we have had at the AFMS.

We have had many changes but most good things come from transition and change, and that is definitely the case for us. As we move forward and grow, I would like to say that in my many years in the Farmers' Market industry as a consumer, a Manager and a Board Member, I have really enjoyed working with this group of Board of Directors and Managers.

I look forward to meeting more vendors in 2018 and hope you all have a prosperous and Happy New Year.

Mimi Shewchuk
President

Merry Christmas !

I hope you have a wonderful holiday season and

are fortunate enough to spend it peacefully, surrounded by those who are dear to you.

Personally, I will be heading to the cold Prairies where I will surround myself with the warmth of family, meet the newest family additions, and eat way more than anyone should over one week!

In closing the year, I want to also thank you for reading the Artisan newsletters and engaging with our social media over the past year, since I started managing Artisan's digital community.

You are the reason we cobble together all the related Farmers' Market information. We are pleased you are part of our community and we look forward to seeing you in 2018!

Seasons Greetings and Happy New Year!

Bernie Glemas

Digital Community Manager & Board Member,
Communications
