FARMERS MARKETS

Burnaby | Ambleside | Lonsdale

Meet Makers, Bakers and Growers May through October

COMMUNITY NEWSLETTER

Hello ,

I hope you had a frightening and fun Halloween!!!

Now that the regular summer Farmers' Market season has passed, we are already planning ahead and shifting gears in more than one way.

First off, we are finalizing the last details for our Winter Market, indoor and outside at Lonsdale Quay which will start November 10th.

Secondly, we are thrilled to be announcing and welcoming a new yet familiar Market Manager to the Artisan Team.

Thirdly, but not least, after her first year as Burnaby Artisan Market Manager we are pleased to know that Maria is renewing her contract as Burnaby Artisan Farmers' Market Manager for the 2019 season. Maria learned a lot in her first year, rising to the challenge and doing an outstanding job of creating a flow that works harmoniously for the community, loyal market goers, volunteers and vendors alike. We're looking forward to seeing Burnaby flourish even more next season. "Way to go Maria!"

Read on for more, fellow Farmers' Market Lovers!

Enjoy!

Please Help Welcome Barry Wilson to the Artisan Farmers' Market Society Team!

You probably know him and you've probably loved his tunes at the markets.

Now, Barry will be orchestrating the rhythms of the Farmers' Market from a whole new perspective.

Barry is a longtime Farmers' Market enthusiast and is passionate about the Farmers' Market movement.

After years playing at the market and helping Artisan more closely with several tasks and events over the past year including managing the entertainer schedule over the season and helping put on the Paella Flamenco Party in August, Barry will be managing Artisan's Winter Market at Lonsdale Quay.

In the spring, he'll shift to managing the Ambleside

Artisan Famers' Market.

Oh, and don't worry, he'll still play music at the markets every once in a while :-)

As Barry put it on his [Facebook Page](#):

So now that it's all been approved, I can tell everyone. I have been training to be a market manager. I still have stuff to learn but as of Nov 10th I am managing a winter market at Lonsdale for the Artisan Farmers Market. That runs until the end of April. Then May I will be running the Ambleside Market every Sunday. I will miss out on Sunday gigs but I have lots of ideas to make Sundays fun. So unfolds a new chapter in my life.

Welcome aboard Barry! We are all looking forward to working with you.

Hey Farmers' Market Lovers!

We're putting on a Winter Market,

starting November 10!

This winter we'll have up to 31 vendors for you to visit and shop from throughout Lonsdale Quay including a possible few vendors outside.

The vendors will be assembled in three main areas, inside on the main level and second level, as well as outside in the usual Artisan Farmers' Market area where there will also be a Christmas Tree vendor.

We've already signed on over a dozen of your favourite vendors and we expect a full slate now that we are getting the word out. This means we should have a great variety of familiar and new vendors for shoppers to enjoy.

VENDORS: If you want to be at the Lonsdale Quay Winter Market, please [submit your application here](#).
