**Meet Maria!**

**Hey everyone! Meet Maria! Artisan's new Burnaby Market Manager.**

Maria started training for the manager role this past season and is keen to get started. We are pleased to have her join the team.

Raised in Vancouver, Maria now has a farm she operates in the Fraser Valley where she grows pesticide-free vegetables, fruit and nut trees. She also loves tending to flowers and raising miniature sheep for pets, mini goats, and free range chickens.

She says "farm life can be hard work at times but it's very rewarding".

Please join us in welcoming Maria to the Artisan Team!

Maria has also been added to our [Management Team](#) page.
